

The Science of SPEED

6 uniquely powerful ingredients that work synergistically to amplify your results.

Hexapeptide Leaf Extract

Works like a retinoic acid to help spur collagen production and strengthen skin integrity.

Agastache Mexicana

Helps to reduce inflammation and redness, restores barrier function, and can even reduce skin temperature.

Bisabolol

Derived from Chamomile and Boswellia extract, helps fade scars, control blemishes, strengthen skin, restore suppleness and reduce flaking.

Kakadu Plum

Native Australian plant rich in skin rejuvenating and repairing vitamin C helps fight free radicals.

Ginger Root Extract

Antioxidant and anti-inflammatory, safeguards skin from redness and discomfort.

Algae Extract

Potent antioxidant and humectant helps fight environmental stressors while nourishing, firming and detoxifying.

OUR PROMISE: We are free from petrolatum, parabens, toxins, chemical irritants, synthetic antibiotics, dyes, perfume and fragrance. We are dermatologist-tested and non-comedogenic.

Impatient People are Talking!

"I had blotches and stressed skin for years. In just 2 weeks my skin looked and felt better than it has in ages! Thank you HYDRINITY!"

- J. Goldberg

"The Restorative Serum is amazing. I have super sensitive skin and I've had trouble with other skin care - but this feels like it is actually repairing my skin."

- N. Caravetta

"I used HYDRINITY™ after a facial procedure and it was so calming and soothing – my skin really transformed!"

- A. Boucher

+

Injectable Grade, Small Batch HA

- Our HA is produced in 1200% smaller batches than conventional HA formulas creating a **99.9% pure, injectable grade HA.**

Dual-Weight HA

- High weight molecules draw moisture to the skin's surface, **reducing the appearance of fine lines and wrinkles and increasing elasticity.**
- Lower weight HA penetrates deep into the dermal layer delivering our patented PPM⁶ peptides and antioxidants that **generate healthy, smooth, luminous skin.**

Cell Regeneration from the Bottom Up

- Deep dermal penetration means constant collagen and elastin production to **renew and rejuvenate skin and boost radiance.**

RESTORATIVE KIT
